

Dear Parents,

We are excited to work with Makit Products to offer a creative and meaningful fundraising activity for your child and our school.

The Make A Gift® Fundraiser program lets children draw an original piece of artwork, which can then be captured in the form of a personalized keepsake of your choosing. These personalized items make perfect gifts for grandparents, relatives, loved ones and friends!

As parents, we ask you to help us in this school-wide effort by ordering one or more items from the selection included. From plates to mugs, we're sure you'll find at least one gift you'd love to have or give, if not many more!

Please fill out the attached form indicating your requested order, and return it to your child's teacher along with a check or money order made out to **BAMOM**.

Completed forms and payment are due no later than **October 12, 2018**.

Our art activity will take place on _____.

You will receive your child's finished keepsakes no later than **November Meeting**.

We appreciate your help in making this program fun for the kids, and thank you for your continued support.

Please fill out the information below so your child can be involved in this fun and exciting project.
Staple a check or money order for the total amount owed to this flyer and send it back to class with your child.
